

KAPPA 210/220

# AVAILABLE DRIVE ROLLERS FOR THE KAPPA SERIES

---

**Fine knurled finish is used with insulation types that tend to slip through the standard rollers. Part # 041117**

**Rough knurled finish is used heavier thicker insulation types. Will tend to leave marks on the insulation. Part # 041118**

**KAPPA 210/220**

# **AVAILABLE DRIVE ROLLERS FOR THE KAPPA SERIES**

---

**Plasma finish comes standard on all Kappa 210 and 220. Works well with most**

**insulation types. Part # 041119**

**Polyurethane finish is used for Teflon and very fine insulations. Will not leave**

**marks on insulation. Part # 041120**
