

# GAMMA 311

## Drive Rollers

---

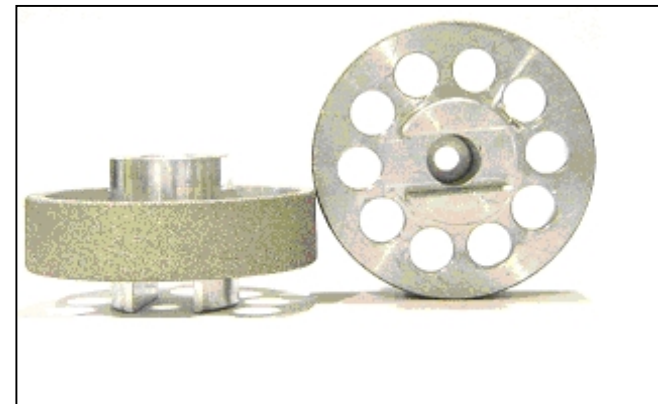

**040689** Polyurethane Drive roller, rubber coated

for Teflon and very fine insulation.

**039076** Plasma Drive Roller, smooth sand facing for smaller

delicate insulation types. Will not leave marks on insulation.

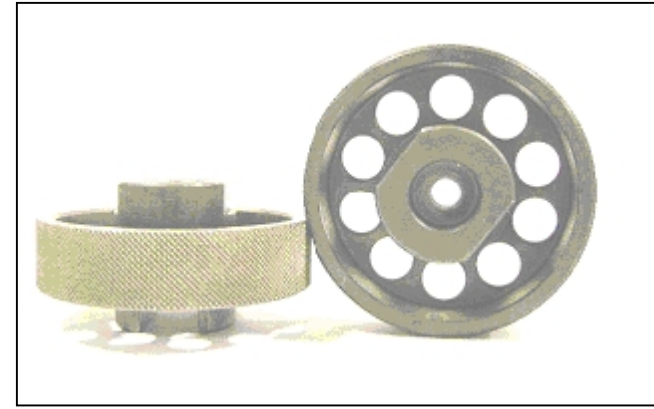

# GAMMA 311

## Drive Rollers

---

**039298** Fine Knurled Drive roller, fine knurled surface

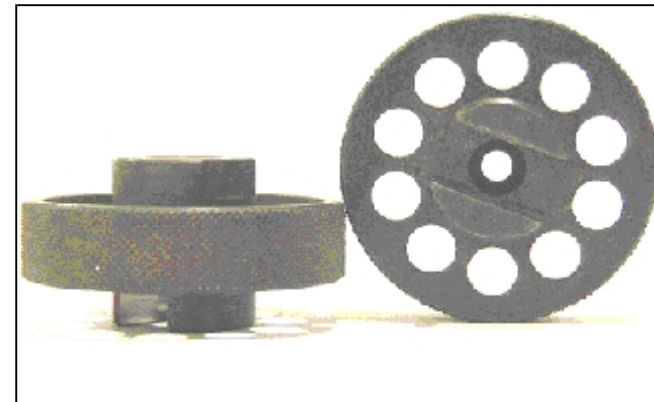

for most insulation types.

**039299** Medium Knurled Drive Roller, medium knurled

finish comes standard on the Gamma 311. Works with

most insulation

# GAMMA 311

## Drive Rollers

---

**039300** Course Knurled Drive Roller, rough knurled

finish for heavier, thicker insulation types. Will

tend to leave marks on softer insulation.
